

CHESSIE TIGER'S TALE

Volume 5, Issue 5
February, 2020

PRINCIPAL'S MESSAGE

Greetings, CTES Families!

It is hard to believe that we are approaching the 100th day of school! Pending no closings until then, we will celebrate Day 100 on 2/12. Please don't forget the calendar changes for the month of February. We are now **closed** on 2/4 for Election Day and are now **open** on 2/17. Thank you for helping us meet the state standard for regular daily attendance!

Please note the MAP testing dates on page 2. All students in K–5 will be taking the Math and ELA MAP assess-

ments during February. We want our students to put forth their best efforts so the test results mirror their true ability and increase from last year's results. Thank you for your support!

Your input is important to us. Please see below about how you can take the BCPS Stakeholder Survey online. If you prefer to have a hard copy sent home, just call 410-887-7505. Thank you!

With warm regards,
Shandra K. Patrick, Principal

Let Your Voice Be Heard: Take the BCPS Stakeholder Survey!

Please take 3 - 5 minutes to complete the BCPS Stakeholder Survey, which is available at www.bcps.org. The survey is open until March 1st. We will have our third, fourth, and fifth grade students take the survey here in school. If you cannot access the survey at home, you are welcome to come into the school and we will get you set up with a computer. Or, we can send a hard copy home. We are hopeful for a record number of participants! It is quick and easy to take and we really want your feedback!

Calling All Incoming PK and K Students!

CTES's PK and K Registration for the 2020-2021 school year is quickly approaching! Birthday guidelines for PreKindergarten are 9/2/15– 9/1/16 and the birthdates for Kindergarten are 9/2/14 - 9/1/15. Call 410-887-7505 to request a registration appointment.
