A key indicator to a positive middle school experience is a positive transition from elementary school. We know with the COVID-19 crisis that this year's transition might look a little different, but we are confident that we can still make your child's experience with coming to Sparrows Point Middle School be successful!

We hope to ease our incoming 5th grade students and their parents' concerns/questions by hosting these two Google Meet sessions to address some of those anticipated questions:

“Will there be a lot of homework?”

“Will I get lost in that big school?”

“Will I be able to open my locker?”

“What will my schedule look like?”

Please know that you and your child's experience at Sparrows Point Middle School is important to us and we look forward to seeing you! 😊

**Parents/Guardians please join us
for one of the two informative
Google Meet sessions as we
discuss the transition for your
child(ren) to Middle School!**

**We will hold a 30-minute Google
Meet session to allow an
opportunity to share important
information and for you to ask
any questions you may have!**

**Hosted by:
Jennifer Gounaris, Principal
Robin Taylor-Chadwick,
School Counselor Department Chair
Alysha Gordon, School Counselor**
