Thursday, October 10, 2019	Mathematics

Grade 5:

Date	Testing
Tuesday, October 8, 2019	Mathematics
Thursday, October 10, 2019	ELA

The most important help you can give your child is encouragement and support each day. You can make the test-taking process easier by conveying a positive attitude about the tests. As in all testing situations, your child should be well rested, have a good breakfast, and be encouraged to do his or her best.

Perfect attendance during the testing period is critical. Please ensure that your child is here every morning at 8:40 AM, as most testing will begin after morning announcements. Excellent attendance not only helps your child, but also the overall school results.

The purpose for letting you know ahead of time is so that you can arrange appointments around this testing time period. It cannot be stressed enough how important it is for your child to be at school on time every day. Thank you for your cooperation and partnership. If you have any questions related to MAP testing, please contact me at 410-887-7505.

Sincerely,

April L. Seifert
Assistant Principal
School Test Coordinator
