

4TH GRADE NEWS

November 2018

What are we learning this month?

ELA:

Students will be starting their Kate DiCamillo author study. Students will develop their proficiency with reading and writing words with r-controlled vowels, consonant blends, and digraphs during Word Work.

Math:

Students will continue to use models, drawings, and strategies based on place value to multiply whole numbers.

Science/Social Studies:

Students are finishing *Geologic Journey* in science and starting *Geography and Economics in the United States* in social studies. They will explore how the geography of the United States affected the people living there.

Upcoming Field Trip Info: Marshy Point

Great News! We have a field trip coming up! Our trip is scheduled for 11/20/2018, and of course we are always excited to have parent chaperones in order to have a successful trip!

Parents who would like to attend are required to complete volunteer training and submit proof of completion to Ms. Bounds. Chaperones will need to complete a chaperone permission slip and submit the money for the cost of the trip as well. More information, permission slips, and chaperone permission slips will be coming home soon. Until then, please verify you are volunteer trained if you would like to join us!

Thank you in advance for your cooperation.

A note from your fourth grade teachers...

Conference Day is scheduled for November 30th. Please make sure you have completed the paper that identifies exactly which teachers you would like to meet with to discuss your child's progress in the classroom. In order to accommodate all of our 4th and 5th grade families' needs, we would like to have these papers back for scheduling purposes asap.

The 4/5 team is dedicated to addressing student and parent concerns all year round! If you decide that you do not need a conference at this time, that is okay. Just make sure to reach out anytime a concern pops up! We are happy to schedule meeting times later in the year as well.

Thank you!
The Grade 4/5 Team
