

Dear Families,

Starting Wednesday, March 6th, we will be replacing addition with multiplication problems for the “Kickin’ It!” program. We will be sending home the Yellow Belt practice sheet in planners to prepare students for the first test. The procedure will remain the same for testing. Students will have 1 minute to complete the 30 multiplication facts on their paper. They will need to score 30 out of 30, in order to move to the next letter level.

They must pass the following levels to earn the next color belt:

D-Yellow

H – Orange

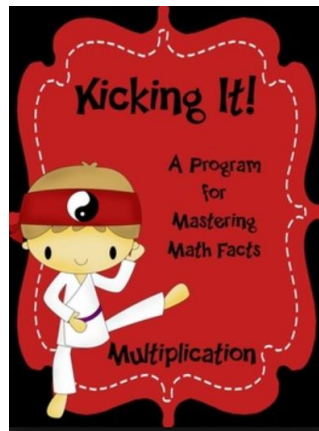

L-Green

P-Blue

T-Purple

X-Brown

Z-Black

Please let us know if you have any questions. Thank you for your continued support!
