

For the next several weeks in the grade book your child will receive a **P** if the work is completed. In the comment section (blue message bubble) of the gradebook is where you will find any feedback.

Important Reminders

Join your class meet at the scheduled time.

Weekly assignments are just that, weekly. Do not try to complete everything in one day. Take your time and do a little every day.

April and May Birthdays

Jessalyn, Kennedy, Keigan,
Madi and Ava W!

The weather is beginning to get warmer so take advantage of the fresh air.

Why not take a walk, a bike ride or read a good book while soaking up the sun!

Options to Submit Your Work

Work can be completed either on line (if available) or through the print packets received in the mail. You do not need to do both.

Online Assignments:

These will be saved automatically.

For Printed Work:

There will be a folder for each subject for each week to submit that week's work.

- Take a picture of your work and upload it to the appropriate folder.

Assignment Due Dates

We know that schedules are crazy right now, so we are allowing students 2 weeks to complete their work.

Hopefully this will be helpful.

If your child is in need of assistance, please have them join the **Office Hour Meet** where we will be happy to assist them.
