December 16, 2019

Dear Families and Community Members,

Our school recently received its School Report Card from the Maryland State Department of Education. The Report Card summarizes how the school performed on the Maryland accountability system.

The results reflect school performance in multiple areas, including: academic achievement, academic progress (for elementary and middle schools), school quality and student success measures, as well as graduation rates and college and career readiness (for high schools). Additional data in this year's School Report Card includes a School Quality and Student Success indicator, based on the results of a survey of students and educators taken last spring, as well as an indicator of whether a school has improved from the previous year. For elementary and middle schools, the Academic Progress indicator now includes student performance on state science tests.

These results are an important snapshot of how a school is performing. They show areas in which we are doing well, and illuminate those in which we need to improve. The information provided on the Maryland School Report Card is displayed in a way that makes it easy to understand each school's performance.

You can find the School Report Card, and much more information, at the Maryland Report Card website:

[www.MDReportCard.org](http://www.MDReportCard.org)

For your convenience, the Report Card for our school is attached to this letter. While the final score on the Report Card does not tell the whole story, we hope the Maryland School Report Card will add to our community discussion about how to constantly improve our schools. The data on the Report Card is both informative and empowering, and will help us ask questions, find answers, make decisions, and act.

We hope you will view the Maryland School Report Card as a tool to become more involved in our efforts here at Chesapeake Terrace Elementary School. Help us raise our schools' scores by taking a community approach to the mission of educating children. Together we can strive for excellence in all areas of education. Together we can raise our results.

Sincerely,

Shandra K. Patrick, Principal

## ACADEMIC ACHIEVEMENT

### HOW DID STUDENTS PERFORM ON STATE TESTS?

The academic achievement indicator is a combination of the percent of students scoring "proficient" or higher on state tests in Math and English Language Arts, and the average performance level of students on state tests.

MEASURE	RESULTS	EARNED POINTS*
Percent Proficient Mathematics	41.5%	2.1 out of 5.0
Percent Proficient English Language Arts	37.4%	1.9 out of 5.0
Average Performance Level Mathematics	3.1	3.1 out of 5.0
Average Performance Level English Language Arts	3.1	3.1 out of 5.0

**10.1**  
EARNED POINTS

## ACADEMIC PROGRESS

### HOW DID STUDENTS PERFORM ON OTHER ACADEMIC MEASURES AND GROWTH?

The academic progress indicator consists of multiple academic measures. Schools are measured on the growth of students over time on Math and English language arts state tests, and on earning credit for a well rounded curriculum.

MEASURE	RESULTS	EARNED POINTS*
Student Growth Percentile Mathematics	51	7 out of 12.5
Student Growth Percentile English Language Arts	54	7.5 out of 12.5
Credit for Well Rounded Curriculum	98.5%	4.9 out of 5.0

**19.4**  
EARNED POINTS

## PROGRESS TOWARDS ENGLISH LANGUAGE PROFICIENCY

### HOW MANY ENGLISH LEARNERS ARE MAKING PROGRESS TOWARDS LEARNING ENGLISH?

The Progress towards English language proficiency indicator measures school success of English learners on track toward achieving proficiency in the English language.

This school does not meet the minimum reporting requirements.

## SCHOOL QUALITY AND STUDENT SUCCESS

### WHAT IS THE QUALITY OF THE SCHOOL ENVIRONMENT?

This indicator includes the percent of students not absent 10 percent or more school days during the year, a school survey, and the percent of students enrolled in a well rounded curriculum.

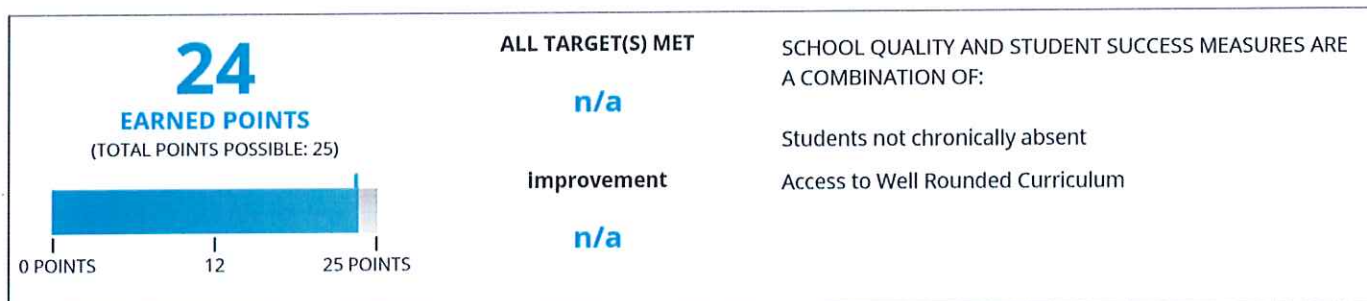

MEASURE	RESULTS	EARNED POINTS*
Students not chronically absent	92%	13.5 out of 15.0
Access to Well Rounded Curriculum	100%	10 out of 10.0

## What does my school rating mean?

Overall school star designations are determined by a combination of academic and school quality indicators that are used to differentiate and identify schools to ensure that all schools are meeting the needs of all students. Academic indicators are used to determine 65 percent of the possible points, while the school quality and student success indicator determines 35 percent of the possible points. Possible points vary by school and year, however school ratings are based on the total earned points percent. Percentile ranks of each school is reported and is based on the grades in the school (Elementary, Middle and/or High school).

## How are star ratings determined?

### STAR RATING

-  5 stars when a school has at least 75% of total earned points percent
-  4 stars when a school has at least 60% but less than 75% of total earned points percent
-  3 stars when a school has at least 45% but less than 60% of total earned points percent

### STAR RATING

-  2 stars when a school has at least 30% but less than 45% of total earned points percent
-  1 star when a school has less than 30% of total earned points percent

## What do the performance indicators mean?

### Academic Achievement

The *Academic Achievement* indicator measures the performance of students in a school who demonstrated proficient skills and knowledge in a student's academic program. As measured by MCAP, this indicator is comprised of student achievement measures in math and English Language Arts. School points are determined by the percentage of students achieving proficiency, and the school's average performance level.

### Academic Progress

The *Academic Progress* indicator measures the performance of students in a school who show meaningful relative growth in math and English Language Arts (Academic Growth) and who demonstrate proficient skills and knowledge in Science and Social Studies, and who pass transitional grade course requirements (Credit for Completion of a Well-Rounded Curriculum). School points are determined for Academic Growth by student growth percentiles, for science and social studies by the percentage of students achieving proficiency, and for credit for completion of a well-rounded curriculum by the percentage of students passing 5th or 8th grade coursework requirements.

### Graduation Rate

The *Graduation Rate* indicator measures the performance of students in a school who graduate with a regular high school diploma. This indicator is comprised of two measures of a cohort of ninth grade students graduating within four years or five years, respectively.

### Progress in Achieving English Language Proficiency

The *Progress in Achieving English Language Proficiency* indicator measures the performance of students in a school who show meaningful growth toward or have attained English language proficiency as measured by the MCAP test for English language learners. The goal for English language learner students is to attain English language proficiency within six years. School points are determined by the percentage of English Learners achieving or making progress towards attaining proficiency.

### Readiness for Post-Secondary Success

The *Readiness for Postsecondary Success* indicator measures the performance of students in a school who are on track for graduation and those students who have completed high school coursework along with a rigorous or comprehensive co-curricular standard. School points are comprised of a school's percentage of 9th grade students earning at least four credits in required coursework and percentage of graduating or exiting students achieving a rigorous or comprehensive co-curricular standard.

### School Quality and Student Success

The *School Quality and Student Success* indicator measures the performance of students in a school who regularly attend school, report positive perceptions of their school, and have actively engaged in rigorous and/or co-curricular academic coursework outside of traditional English Language Arts and Mathematics (elementary) or Science and Social Studies (middle). School points are comprised of a school's percentage of not chronically absent students, school survey results, and measures of access to a well-rounded curriculum.
